

# Advanced Disposal

**City of Tuscola  
Residential Customer Announcement  
Recycling program change for City residents effective 7/1/2017**

The drop off site near City Hall will be eliminated due to unauthorized use and non-recyclables being placed into the recycling containers starting July 1<sup>st</sup>.

We are happy to announce that Advanced Disposal will continue to offer optional residential **curbside** recycling at the discounted rate of \$3.50 per month. Pickups will be every other week and will include a 65-gallon recycling cart for those who wish to participate. At the City's request there will be **no charge** for the first month!

Residents located within the City limits of Tuscola interested in participating in the City's recycling program should call Advanced Disposal's customer care department at 1(800) 688-4285 to sign up. Advanced Disposal will deliver a 65-gallon recycling cart at no additional cost along with a schedule and detailed information on acceptable recycling materials.

This service is not available to customers outside of the City limits of Tuscola.

Advanced Disposal and the City of Tuscola are fully committed to creating a cleaner environment and we look forward to meeting your recycling needs. Note that this change will have no effect on the City's trash pickup program.
