### **August 22<sup>nd</sup> Household Paint Collection: Registration Closed**

Registration for the August 22<sup>nd</sup>, 2020 paint collection event is now closed. There are no available appointment slots at this time.

The August 22<sup>nd</sup>, 2020 paint collection will continue the 2020 regular collection season (April – October) (April and May collections were not held due to the stay-at-home order). Macon County Environmental Management intends to schedule additional paint collection events between September and the end of the regular collection season in late October.

Residents who were not able to register for the August 22<sup>nd</sup>, 2020 paint collection event are strongly encouraged to visit [www.MaconGreen.com](http://www.MaconGreen.com) to learn more about proper paint disposal methods and sign up for email announcements. As soon as events are scheduled an email blast is sent out to those that have registered their email address for email announcements. Signing up for email announcements is the easiest, quickest way to stay informed of recycling or proper disposal events and programs held by Macon County Environmental Management or others in Macon County.

Further information may be obtained at [www.MaconGreen.com](http://www.MaconGreen.com), by emailing [EnvironmentalManagement@co.macon.il.us](mailto:EnvironmentalManagement@co.macon.il.us), or by calling the Macon County Environmental Management Department at 217-425-4505.

Macon County Environmental Management would like to thank Macon County residents for their patience and understanding as we work to meet the pent up demand for these collection events.
