

Sam Safety is here to keep kids safe this summer.

Show kids the importance of safety around garbage and recycling trucks with a fun video from our very own Sam Safety!

At Advanced Disposal, keeping children safe in the communities we serve is a top priority. That's why we've put together a fun and educational safety video with our very own Sam Safety. This animated video features Sam Safety showing kids how to stay safe around garbage and recycling trucks. The cautionary message is great for kids of all ages, and adults too!

Watch it together at [AdvancedDisposal.com/SamSafety](https://www.advanceddisposal.com/SamSafety).
