Eco Man vs. The Contaminator

That's my contami-detector making that noise!

Great Scott! There's a problem at the river!

Soon, the whole river will be clogged with trash! Muahahaha.

Not so fast contaminator!

I'll use my waste transmogrifier to clean up this mess!

Curse you, Eco Man! You un-ruin everything!

I'll be baaaack!

And I'll be waiting!
